REPORT OF TOWN AUDITOR
For the Year Ending December 31, 1952

This is to certify that I have examined the accounts and records of the Tax Collector, Town Clerk, Road Agent, Treasurer and Selectmen and find them correct and properly vouched according to the best of my knowledge and belief.

Again this year the accounts of the Marlboro Water Commission were prepared and audited by the state Public Utilities Commission according to their uniform classification of accounts for water utilities. I did audit the accounts of the collector of water accounts which is not done by the Public Utilities Commission.

OLIVER F. DERBY,
Town Auditor.

NOTES

* During the year, \$15,200.00 in new principal was invested in the Keene Co-operative Bank as follows:

\$100.00	Charles Grammos Cemetery Fund
100.00	George W. White Cemetery Fund
6,000.00	Addition to KATE K. DAVIS LIBRARY BOOK and/or GROUNDS FUND
9,000.00	Addition to KATE K. DAVIS MARLBORO COMMUNITY NURSING ASSOCIATION FUND
<u>\$15,200.00</u>	

† During the year \$350.00 in new principal was invested in the Savings Bank of Walpole as follows:

\$150.00	CHARLES L. CLARK CEMETERY FUND (Addition)
200.00	Addition to ERWIN E. WARD CEMETERY FUND
<u>\$350.00</u>	

‡ In accordance with the vote taken at the 1942 Town Meeting, the interest from the CHARLES C. WARD TOWN FUND has been allowed to accumulate until there was sufficient money available to buy new seats for the Town Hall. Originally, the Selectmen requested \$1,507.50 and this amount was paid for the new Town Hall seats. Later in the year, the Selectmen refunded \$215.50 which was the amount received from the sale of the old Town Hall seats. The amount of \$1,292.00 is the net amount paid for the new chairs. There is now an unexpended interest balance of \$470.30 in the CHARLES C. WARD TOWN FUND; this money and any future income is available for whatever new purpose the Town might decide.

§ New funds received during the year amounted to a total of \$15,550.00 and are as follows

\$6,000.00	Addition to the KATE K. DAVIS LIBRARY FUND AND/OR GROUND FUND
9,000.00	Addition to the KATE K. DAVIS MARLBORO COMMUNITY NURSING ASSOC. FUND
\$100.00	CHARLES GRAMMOS CEMETERY FUND (Created March 15, 1952 by himself; the income to be used only for the annual care of cemetery lot No. 137 in Pine Grove Extension Cemetery)
150.00	Addition to CHARLES L. CLARK CEMETERY FUND making the total, \$200.00; added April 23, 1952 by Helena J. Cutter, Administratrix of the Mary E. Clark Estate.
100.00	GEORGE W. WHITE CEMETERY FUND (Created Aug. 7, 1952 from the Estate of Frank E. Ward, grandson, the income to be used only for the perpetual care of this lot in Granitville Cemetery)
100.00	Addition to ERWIN E. WARD CEMETERY FUND; Received on August 7, 1952 from Estate of Frank E. Ward, son, the income to be used for the care of this cemetery lot in Pine Grove Cemetery.
100.00	Addition to ERWIN E. WARD CEMETERY FUND; Received August 6, 1952 from the Estate of Clarence E. Ward, son, the income to be used for the perpetual care of this cemetery lot in Pine Grove Cemetery and any unexpended balance to be added to the principal. This Fund now totals \$250.00.

Total Additions to Cemetery Funds

LEO P. LAMOUREUX,
Finance Officer,
Croteau-Coutts Post No. 24,
American Legion.

REPORT OF FIREWARDS

In the year of 1952, there were 20 still alarms and 1 general alarm. The 1 general alarm being at Charles Beauregard's barn.

The firewards want to bring to your attention that the boiler in the fire station is in poor condition and will have to be replaced before too long.

The firewards have been working on the possibilities of mutual aid. The towns of the Monadnock region have met and are ready to cooperate. We hope to have approximately 50 towns in the southwestern part of the state participating by the end of this year.

LEROY P. DERBY,
EDWARD J. BEAUREGARD,
CHESTER E. NASON,
NORMAN N. KNIGHT,
Firewards.

REPORT OF RECREATION COMMISSION

During the past summer our playground season was extended from four to six weeks and was very successful under the direction of Mr. Claude Leavitt. A separate report of activities is attached herewith.

We have maintained the Athletic Field in a satisfactory manner. The field was used during the past summer by the local baseball teams, by informal groups playing softball and by youngsters participating in the playground program.

This year for the first time we organized and ran a program of fun and entertainment on Hallowe'en. This was a successful venture and brought much commendation from our citizens.

We attempted to build a skating rink at the field this winter and in that have been only partially successful. Frequent spells of mild weather have cancelled many of our efforts and at this writing skating conditions are only fair. Much gratitude is due to several members of the Marlboro Fire Department who have assisted in flooding the area many times.

The lack of seats at the field has been a noticeable inconvenience for persons attending activities there. We have purchased two sections of steel stands with a capacity of about one hundred persons. These come in sections and more can be added as conditions warrant. They have arrived and will be erected in the spring.

We feel that we should keep in mind the desirability of further improving facilities at the field and eventually use that as the location of the summer playground. Minimum needs for making it a playground area are shade, running water and toilet facilities.

We ask your support in continuing our present program and expanding it where possible and practical. A project such as Little League Baseball might well deserve our backing in the near future. There are many other wholesome activities which can be made available to our children when time and facilities permit.

Citizens and merchants have been most cooperative and helpful by their response to any request for assistance and we wish to express our thanks to all for their kindness.

Respectfully submitted,
 LUDGER BEAUREGARD,
 OMER DUMONT,
 IRVIN GORDON,
 FRANK ROBINSON,
 ALFRED THOMAS,
 Recreation Commission.

REPORT OF PLAYGROUND DIRECTOR

The Marlboro summer playground operating on a six weeks, sixty session basis, registered one hundred seventy-two boys and girls ranging in age from four through sixteen.

The following attendance figures are indicative of the value in a summer playground for the community.

Total $\frac{1}{2}$ days attendance	3,265
Average daily attendance	108.9
Average morning attendance	55.2
Average afternoon attendance	53.7

Further diagnosis shows that the average registered individual was in attendance nineteen or approximately one-third of the total sessions.

To command the attention of so many boys and girls while other summer activities are in progress, a well-rounded program is needed. Several items for a future program are already available but there is an unlimited area for improvement of equipment and means of transportation.

A variety of intra-mural activities were sponsored such as horseshoes, badminton, a pet show, and "on wheels" parade, checkers, jump the shot, jump rope, plus dozens of conventional games. The boys softball team of boys eight through sixteen played Troy, Peterborough and Jaffrey on a home and home basis. They finished the six game schedule with a commendable record of four wins and two losses.

Fifty-two dollars was contributed as a "swimming fund" by many local businessmen which enabled the playground children to visit Troy on four different occasions for swimming. There they received some swimming instructions and an opportunity to enjoy themselves at the Sand Dam.

A playground fair was attempted but foul weather made us realize only partial success. After a two day delay the talent show was finally produced. Thirty youngsters enjoyed a trip to Boston's Fenway Park where the Red Sox played host to the Philadelphia Athletics.

Climaxing the summer playground was a picnic at Swanzey Lake. The remainder of the "Swimming fund" paid the transportation while the playground committee furnished cold drinks and ice cream.

Respectfully submitted,
CLAUDE H. LEAVITT,
Playground Director.

REPORT OF POLICE DEPARTMENT FOR 1952

During the past year the Police Department received ninety-six complaints of various nature.

There were eleven accidents.

The Department made four arrests during the year.

There were several licenses suspended during the year for speeding and reckless driving.

I want to compliment the teachers and children in the good work they are doing in the Junior Patrol.

I am very pleased to say that the children of this town have been very good and have cooperated with the police very well this year and I hope they will keep this good work going.

I have had a great deal of trouble with dogs this year, and I wish that all dog taxes would be paid as soon as they come due.

Will all parents who have children that ride bicycles please see that they have lights and reflectors put on them, not only to protect themselves, but the motorists also.

Respectfully submitted,

ERNEST F. THOIN,

Chief of Police.

LIBRARIAN'S ANNUAL REPORT

To the president and trustees of Frost Free Library, the librarian submits the report for the year October 1, 1951 to October 1, 1952:

The library has been open 102 days. Circulation of books was 6,905. Of this number 2,682 were adult fiction; 690 adult non-fiction; 3,354 juvenile and youth fiction; 179 non-fiction. Circulation of magazines was 2,755. Besides this circulation, reference books and magazines were used at the reading table.

The bookmobile (part of the State Library Extension Service) visits the library once in 8 weeks and adds many books for our use. Several books have been borrowed from the State Library.

160 new books have been purchased from the Library Fund and many books have been given by generous patrons of the library.

The highlight of the year was the interior painting in September when the library was closed for one week. The work was done by the Wilcox painters and is being admired by all who come to the library. Mrs. Mabelle Page polished and cleaned light fixtures and glass cases, etc., so that we can all be proud of our clean, attractive library.

I wish to thank all who have helped the library in any way.

Respectfully,

INEZ MAHON,
Librarian.

RUTH E. HEMENWAY,

Treasurer.

REPORT OF HEALTH OFFICER

There were the usual number of communicable diseases in the past year and chicken pox reached epidemic proportions, though fortunately no serious complications resulted.

If accident prevention can be considered a health problem, it is urged that some measure be taken to insure proper coverings on catch basins or culverts with an opening in the street. Your health officer nearly broke his leg in one on Bridge St. while stepping from his car at night.

The majority of complaints as usual are of sanitary problems about which only palliative measures can usually be taken with our present methods of sewerage disposal.

Respectfully submitted,

PERCY C. McINTIRE, M.D.

Health Officer.

MARLBORO COMMUNITY NURSING ASSOCIATION

Report of the District and School Nurse

Jan. 1, 1952 to Jan. 1, 1953

District report in brief:

Total number of calls	1,141
\$1.00 calls	732
.50 calls	92
Free calls	242
Part pay calls	76
Money collected approximately	\$830 00
Money uncollected at end of year	\$1 00

Several small accounts were dropped because of long standing non-payment.

Clothing was distributed to two less fortunate families.

May I remind you that Miss Tuttle can contact the nurse for you or tell you where she may be reached any-time between 8 a.m. and 5 p.m. except on Friday afternoons and Sundays.

We have received notice that the Metropolitan Nursing Service was terminated as previously announced, Dec. 31, 1952. John Hancock Nursing Service is continued through June 31, 1953, when it too will be terminated also.

From one-half to one hour is spent at school each morning and as many as three or four hours during examinations, etc.

Several children have been transported home from school because of illness or injury.

Below is a rundown of the physical examinations done by Dr. Samuel Paul of Troy, our school doctor in September and October 1952.

Students examined	250
Defects as reported to parents:	
Enlarged tonsils	32
Enlarged cernical glands	40
Heart defects	4
High blood pressure	3
Impacted wax in ears	7
Dental defects	77
Deviated septum	1
Orthopedic defects	2
Enlarged thyroid	1

The nurse has reported 40 vision defects.

There have been 52 cases of chicken pox among our school children since school began.

Respectfully submitted,

MRS. MARGARET FORD, R.N.

District and School Nurse.

Marlboro, N. H., January 15, 1953.

THE STATE OF NEW HAMPSHIRE

(SCHOOL WARRANT)

To the Inhabitants of the School district in the town of Marlboro qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March 1953, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of the statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization funds, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to raise and appropriate a sum not to exceed \$5,000 (five thousand dollars) for the purchase and installation of a new heating plant for the high school building; and whether the district will vote to raise such sums through the issuance of serial notes upon the credit of the district and to authorize the school board to determine the series and conditions upon which the serial notes shall be issued in accordance with the provisions of the Municipal Bond Statute, Chapter 72 and any amendments relating thereto.

10. To see if the district will raise and appropriate the sum of fifteen hundred dollars (\$1,500) for necessary repairs and alterations in the school buildings.

11. To see if the district will vote to apply the balance of the cooperative school study funds to meet the costs of needed plumbing in the schools.

12. To see if the district will vote to raise and appropriate seven hundred (\$700) for additional toilet facilities in the high school building and for drinking fountains and electrical work recommended by the state Health Dept., and the school physician, and to make such sum available by April, 1953.

13. To take up any other business which may legally come before this meeting.

CLIFFORD RICHARDSON, Secty.,
ALDEN BEAUREGARD,
RAY E. TARBOX, Chairman,
School Board.

A true copy of Warrant—Attest:

CLIFFORD RICHARDSON, Secty.,
ALDEN BEAUREGARD,
RAY E. TARBOX, Chairman,
School Board.

SUPERINTENDENT'S REPORT

The passing of a single year does not usually bring any great changes to a school system and such is probably true in Marlboro for the year 1952. Yet important changes have taken place, both in the school plant, program of studies and staff, concerning which citizens should be informed.

The most noticeable change has been in the physical condition and appearance of the school interior, which must have been apparent to those patrons who attended the open house night in September. These folks found that the old wooden floors in the building had disappeared beneath attractive colored asphalt or rubber tile; or had been restored to their natural beauty through refinishing and varnishing. The old plaster walls in the hallway were replaced by light colored wallboard and the squeaky stairs rebuilt and covered with sound-deadening rubber tile. Even a discriminating eye could not notice that the walls of the typewriting room had been soundproofed however.

The nurses room was redecorated and furnished to serve as a combined health room, teacher-nurse room. By a re-arrangement of classes, it was possible to provide space for a library and reading room, long desired by pupils and staff. Much comment was made on the new steel desks and chairs with which the third grade room was equipped.

The educational program has been strengthened by the addition of an electric typewriter, science equipment, new map sets, text books and instructional materials. The fact that Marlboro is located near Keene Teachers College has made it possible for the school to obtain student teachers and to select the most capable of these for permanent employment. The present staff is, teacher for teacher, the

equal of any in the state, and parents should be grateful that the education of their children is in such capable hands.

The future indicates that with Marlboro keeping teachers salaries up to the state average, it will be able to retain its unusually good staff. With a continued program of repairs aimed at modernizing the building, the health, comfort and safety of the pupils will be protected. With generous allotments of school funds, the educational equipment, text books and materials will remain up to date and adequate for modern educational needs.

The credit for the improvement of school conditions in the community lies with a school board which has the support and confidence of the people of the community; and with a school staff which has the support of the school board.

CHARLES L. BOWLBY,
Supt. of Schools.

M. FORD, R. N.,
School Nurse,
DR. SAMUEL PAUL, M. D.,
School Physician.

REPORT OF THE SCHOOL DOCTOR

Marlboro School Board,
Marlboro, N. H.

I am pleased to submit my first report as school physician for Marlboro. I was pleased to have the opportunity to serve the community as school physician and was impressed by the generally good level of nutrition and health of the pupils. Of course, there were a few exceptions to this good condition, but Mrs. Ford is working to correct these.

I would like to suggest some simple but basic improvements in the school plant. Additional electric lights are needed in both the boys' and girls' basement areas. The girls' toilet facilities are somewhat inadequate for the number of pupils. The problem might well be solved by installing a toilet in the teachers' room, thus making more facilities available in the girls' room.

With the summer approaching, it would be desirable to increase the drinking fountain fixtures by installing one on the first floor and one on the second floor. With these exceptions, the physical plant seems adequate and has been greatly improved over the past year. both as to health and comfort.

Respectfully submitted,
SAMUEL E. PAUL,
School Physician.

REPORT OF PRINCIPAL OF MARLBORO SCHOOLS

Mr. Charles L. Bowlby, Superintendent of Schools,
Marlboro, New Hampshire.

I submit herewith for publication my tenth annual report as Principal of the Marlboro schools. It covers the period since February 1, 1952.

ENROLLMENT

At the opening of school in September, our enrollment was 303 pupils in all grades. The figures represented an increase of 5 over opening day figures of the previous year. Statistical emphasis has usually been placed upon breakdown by grade and sex in the six upper classes and a table showing that follows.

	Boys	Girls	Total
Grade 7	10	15	25
Grade 8	11	12	23
	—	—	—
Total	21	27	48
Grade 9	6	8	14
Grade 10	5	10	15
Grade 11	12	8	20
Grade 12	5	14	19
	—	—	—
Total	28	40	68

Special students: 6. Left since September: 4. Enrolled since September: 2. Present enrollment grades 7-12: 120.

It appears that most of our high school pupils are reasonably well adjusted to their programs and I do not expect any drop-outs between now and June.

SCHOLARSHIP AND ATTENDANCE

Quantities of figures could be given showing average I. Q.'s and other statistical data whose value I doubt in a

report of this type. I feel that it is sufficient to say that the intellectual ability of our student body compares favorably with other pupils in American public schools. Most of our students are utilizing this ability to good advantage and maintaining satisfactory scholastic averages. It is correct to say that most instances of poor work in our high school are due to lack of home study. This appears to be due to parents' failure to recognize the value of education or their inability to control the pupil. **No pupil in our high school can do justice to his program without study outside of school hours.**

Our attendance problems are few and are all centered around a small group of students. Here again a firmer attitude on the part of the parent would solve the problem in most cases.

PERSONNEL

The several persons who are working with us for the first time this year are continuing the good work of previous members of our staff. Following the retirement of Mrs. Pinkham in June, Miss Hackler requested a transfer to grade two and Mrs. Beverley Gordon is teaching grade three. Mrs. Gordon is a graduate of Plymouth Teachers College and came to us with fine recommendations. Miss Jean Hurley resigned in June to join the armed services and Mrs. Marion Leavitt, a 1952 graduate of Keene Teachers College, was employed to succeed her in grade four. Both Mrs. Gordon and Mrs. Leavitt are doing good work. Mrs. Alice Hildreth, a former teacher here, was employed to replace Achille Joyal in the language department following Mr. Joyal's decision to return to graduate work. She has done a fine job and is greatly enriching the program of her pupils. Miss Margaret Miner was released from her contract in August to accept a position in a large Massachusetts system. We were very fortunate to engage Miss Loretta Lukowicz, a 1952 graduate of Bryant College, to succeed her in the commercial department. She has much ability and conducts her work on a par with teachers of considerable experience. Mrs. Elva Rawding, whom

we share with the Troy schools, is doing commendable work in remedial reading. She is filling a need here which exists in all systems but which as yet is being met in only a few places.

We are continuing the policy of cooperating with Keene Teachers College in the training of cadets. The contribution of these young teachers in freeing members of our regular staff and in giving special help to certain students enables us to enrich our program of activities.

Dr. P. C. McIntire resigned as school physician and the position has been filled by Dr. Samuel Paul of Troy. A separate report of the health program is being submitted to you by the school nurse.

Mr. James Farwell who replaced Granville Clark as custodian of the school property is capably performing his duties. Gradual expansion of the school program has added several duties to this position and the conscientious work of our custodians over the years should not be overlooked.

PROGRAM AND PLANT

Following the addition of basic courses in home-economics and shop for high school students last year we have added one more course in Mechanical Drawing this year. The addition of remedial reading has already been mentioned. It might be desirable to further extend these programs but at present it appears impossible without at least one more classroom somewhere. Repairs and improvements to the interior of the building during the past summer are much appreciated by both pupils and staff members. All of these changes have made a better school atmosphere and help to build morale.

It must be borne in mind that we are living in a period when there is considerable emphasis on so-called "progressive education." Our community is conditioned to a pattern of traditional education along conservative

lines. Teacher training institutions emphasize progressive methods in their curricula. Publishers of school textbooks and school supply houses lean toward progressive methods. It becomes the problem of a school administrator in a school like ours to direct a program which satisfactorily compromises the two extremes. Certainly a strict clinging to old methods is no more justified than too sharp a swing to the progressive school of thought. This conflict of thought should be recognized and considered by anyone making a critical analysis of our school.

Work in art and music is progressing satisfactorily under the supervision of Mrs. Land, Mrs. Wilson and Mr. Nash. Several of our groups have participated in programs and demonstrations. We have a large number of pupils taking lessons on instruments and we should have considerable orchestra material in the next few years.

SPECIAL ACTIVITIES

Each class in the high school has sponsored several events during the past year. Many of these have been money raising events with the proceeds going to the class treasury which eventually provides funds for the senior class trip. All of the activities are conducted by class committees working with the advisors. In planning these events we attempt not to lose sight of opportunities to teach something of value.

SCHOOL LUNCH PROGRAM

Mrs. Corinne Nash resigned in June after having operated our school lunch program for several years and Mrs. Doris Weston has succeeded her as lunchroom manager. Mrs. Doris Porter resigned as lunchroom assistant and Mrs. Irene Ward has replaced her. The contribution which these workers make to the daily life of the pupils deserves high praise.

During the school year 1951-52 the lunchroom served 16,483 lunches on an average of 102 per day. So far this year the total is 9,879 for a daily average of 110. I sincerely hope that present tentative plans to provide

more kitchen space and a new sink can be carried through as both are badly needed.

The program has received several allotments of food from the USDA since the opening of school in September.

CLASS OF 1952

Seven of the twelve members of the graduating class are continuing their education. They are at Wentworth Institute, Plymouth Teachers College, Keene Teachers College, Becker Junior College, Brown & Sharpe Engineering School and the U. S. Coast Guard Academy. This is a good percentage and certainly exceeds the national average. Of the remaining five, three are doing office work, one is in the Navy, and one is at home. I point to the previous stated facts as evidence that our school is adequately preparing its graduates.

The Commencement Week activities began with the Baccalaureate Service on Sunday, June 8.

CLASS OF 1955

Mr. William Slayton, acting superintendent of schools presented diplomas to the 24 members of the eighth grade following exercises held in the assembly room of the school building. All pupils in the grade participated in the program. Eighteen of these pupils come to our high school, four moved away and two did not go to school. The following pupils received diplomas:

Donald Beauregard	Bernard Morse
Olive Brooks	Edward Nason
Caroline Burroughs	Rhode Nye
Gordon Croteau	Caroline Page
Joanne Daigle	Elaine Ripley
Irene Despres	Irene Ripley
Janice Dupuis	Richard Tardiff
Raymond Greene	Geraldine Williams
Lauralee Hooper	Edward Wilson
David Hunt	Janet Voudren
Mildred Menter	Jack Robbins
Bruce Mitchell	Betty Woodward

ATHLETICS

Our pupils are continuing to do reasonably well in interscholastic competition in spite of improved competition and limited indoor facilities here. We can look forward to a continuation of improving competition as schools add more physical education to their programs and improve their plants.

Last year's basketball team climaxed an average season by winning the small schools tournament at Keene Teachers College. Victories over Antrim, Wilton, and Vilas gave Marlboro the championship.

In baseball the team held its own in stiff competition and closed with an even split in twelve games.

Currently the basketball teams are making good showings in the reorganized Monadnock League. Both should finish near the top in the standings.

Mrs. Beverly Gordon, third grade teacher, is coaching both junior and senior high girls' basketball. Robert Davis, KTC student teacher, assisted with high school boys' basketball during the first semester and Mr. Gordon has now taken over. Mr. Rogers coaches baseball, touch football and junior high sports.

CONCLUSION

Once again in concluding my annual report I can only say that the year has been an enjoyable one. The staff is cooperative and conscientious. Reports on our graduates tell of their success at school and in employment. Citizens have supported our activities very generously. All of us appreciate the confidence placed in us by you and the Marlboro School Board.

Respectfully submitted.

IRVIN H. GORDON,

Principal.

January 31, 1953.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Marlboro in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Marlboro on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will raise for repairs and construction of sidewalks or act in any manner relating thereto.

4. To see if the Town will raise a sum of money for repairs, water storage, equipment, supplies and other expenses of the Fire Department.

5. To see if the Town will vote to install and maintain two streetlights on Highland Street, one to be placed on the pole opposite the residence of Norman Russell and one to be placed on the pole opposite the residence of Roger Upton.

6. To see what sum of money the Town will raise for Electric Lights.

7. To see if the Town will raise the sum of \$1,800.00 to aid the Community Nursing Association or act in any manner relating thereto.

8. To see what sum of money the Town will raise for Memorial Day.

9. To see what sum of money the Town will vote for the purchase of tar for highways or act in any manner relating thereto.

10. To see if the Town will vote to accept State Aid on Class V roads, raise and appropriate the sum of \$479.30, the State to give \$3,195.31.

11. To see if the Town will vote to paint the town tool shed, raise and appropriate a sum not to exceed \$500, or act in any manner relating thereto.

12. To see what action the Town will take in regard to installing a central heating system in the Town Hall, raise and appropriate a sum of money for same or act in any manner relating thereto.

13. To see what amount the Town will vote to raise to add to the equipment reserve fund for the purchase of new highway equipment, or act in any manner relating thereto.

13A To see if the Town will vote to discontinue, subject to gates and bars, the portion of the old road in Marlboro Hollow which leads by the Charles Merryfield residence beginning near the residence of Charles Merryfield and continuing to the Troy Town Line.

14. To see if the Town will vote to raise and appropriate the sum of \$169.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

15. To see if the Town of Marlboro will vote to raise and appropriate the sum of \$300.00 to be paid to the Federated Church of Marlboro for the cost of heating and

janitor service for the Youth Center when utilized by the following youth groups of our community under adult supervision: Boy Scouts, Girl Scouts, Cub Scouts, Brownies, Catholic Youth Organization, and 4-H groups.

16. To see if the Town will vote to raise the sum of \$800.00 to help maintain the Frost Free Library or act in any manner relating thereto.

17. To see if the Town will vote to raise and appropriate \$900 to aid the Elliot Community Hospital.

18. To see what sum of money the Town will vote to raise and appropriate to support the program sponsored by the Recreation Commission.

19. To see if the Town will vote to raise and appropriate, for hydrant service, the sum of \$3,125.00, this being \$125.00 per hydrant.

20. To see if the Town will vote to raise and appropriate an amount not to exceed \$16,000.00 for the purposes of defraying the cost of new construction and extensions for the Town's Water System and to provide funds for the operation thereof and for the payment of outstanding accounts of the Water System and to authorize and instruct its selectmen to borrow a sum not to exceed \$16,000.00 on the credit of the Town by issuing serial notes or bonds maturing annually and bearing such rates of interest not to exceed 3% per annum and payable both interest and principal as the selectmen may determine.

21. To see if the Town wishes to participate in Keene's Bicentennial Parade, by sending a float, appropriate money for same or act in any manner relating thereto.

22. To see if the Town will vote to have the candidates for election to the school district offices be placed on the ballot with the Town offices, so that all voters voting may have a voice in their election.

23. To see if the Town will vote to adopt the provisions of Chapter 171-A of the Revised Laws relative to the playing of games of beano or act in any manner relating thereto.

24. To see if the Town will raise and appropriate a sum of money not to exceed \$500 for replacing the water pipe in Pine Grove Cemetery, or act in any manner relating thereto.

25. To see if the Town will vote to accept the sums for perpetual care of Cemetery lots received since January 1, 1952.

26. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes.

27. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Collectors' deeds.

28. To hear reports of Town Agents or Committees or other officers heretofore chosen or appointed and pass any vote relating thereto.

29. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and fifty-three.

WALLACE B. OLIVER,
CHARLES T. RICHARDSON,
WALTER E. BUCKMINSTER,
Selectmen of Marlboro.

A true copy of Warrant—Attest:

Dec. 31	Keene	Minnie L. Bemis	86

I hereby certify that the foregoing transcript of births, marriages and deaths is correct according to the best of my knowledge and belief.

OSCAR F. CROTEAU, Town Clerk.

TEAM WORK WILL DO THE JOB

Teamwork has won victories from time immemorial—for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate—we must have team work. The remedy is simple—

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise **YOU** might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER—Only YOU and YOU and YOU can prevent fire!
TEAM WORK WILL DO THE JOB!

Number of local fires, 1.

Number of acres burned, $\frac{3}{4}$.

Number of permits issued, 131.

FRED R. CLARK,
Forest Fire Warden.
F. J. BAKER,
District Chief.
